Your 30-minute practice report

Fictional sample | Asha | Operations Associate

Your session

10-minute mock followed by 20 minutes of targeted practice across Speaking, Listening, Reading and Writing.

The question

What did you personally do when the project fell behind?

Your first answer

“I helped the team fix the report.”

What to try next

In 45 seconds, say one action you owned and how you verified the result. Avoid adding details you cannot support.

A clearer answer

“I checked the report against the source file and corrected the missing rows with a teammate.”

English Communication

Replace “I helped” with the action you took. “I checked the source file against the report.”

Role Competency

Show how you verified the fix. Name the quality check you ran before the demo.

Critical Thinking

Explain why you checked the source before changing the import. Give one alternative you considered.

Interview Performance

Answer the follow-up directly. Add context after you state your contribution.
